PEF
PROSPER
EDUCATION FOUNDATION

MISSION

The Prosper Education Foundation supports and encourages educational excellence, innovation and achievement in Prosper ISD.
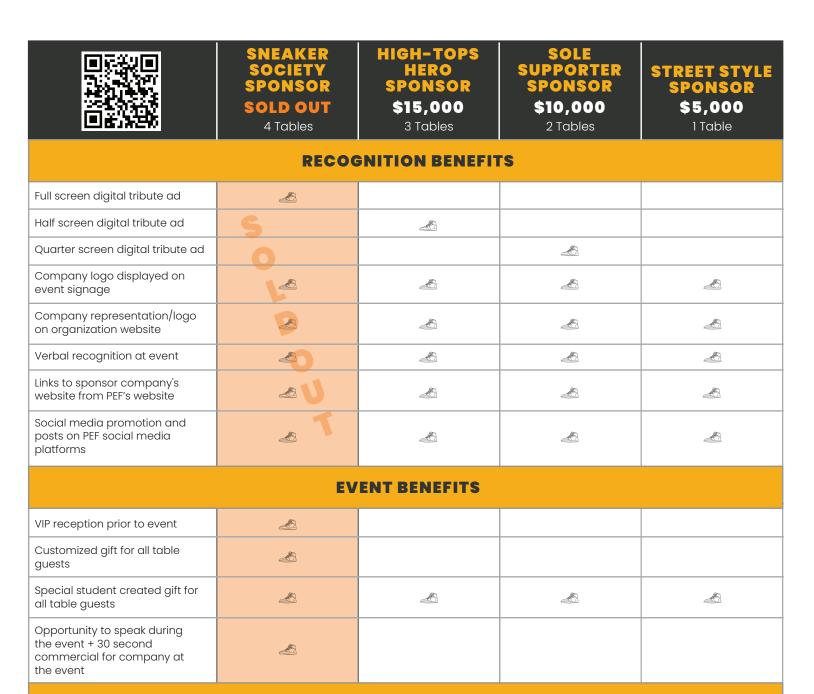

VISION

Profoundly impacting the success of each Prosper ISD student.

PURPOSE STATEMENT

The Prosper Education Foundation, established in 1996, was created for the sole purpose of supporting the Prosper Independent School District. Prosper Education Foundation seeks to profoundly impact the success of each Prosper ISD student. We do that by supporting and encouraging the educational excellence, innovation and achievement in Prosper ISD. By raising funds and putting them to work within Prosper ISD, we build futures for students through college scholarships, appreciate and equip hardworking teachers through grants, recognition and awards, and fund district-wide student opportunities and staff professional development initiatives that are outside the budget of Prosper ISD. Donations from businesses, individuals and community organizations make up the resources PEF invests into Prosper ISD. With tremendous growth happening within the district, PEF is working hard to continue our funding of important programs and initiatives today and into the bright future of our growing district. Join us!
